Please Note: Only your name (or names) will be listed on our web site. We will not give out your addresses or phone number.

Fill in the form on the following page with the items you want listed in your registry. You can leave the Item ID column blank. That is for the item's barcode, which we will be happy to add. Feel free to make extra copies of page two and make you list as long as you want.

Your spouse, partner, family and friends will be able to view your gift registry on our website. They can also download you list in PDF file format for printing or viewing on their computer.

As items are purchased, we will remove them from the web site listing.
